Joe,

What a year! You're one of the nicest and weirdest people I know. (All of this is so corny and common)

Someday
When we're old and gray,
We'll look back upon this day.
And say:

Yech! Boy am I glad I'm out.

Joy,
Suzie Palmgren

Joe - It's been real fun this year having you in 3rd period with me and I've enjoyed it. Black Comedy was fun. I wish you the best of luck in future years.

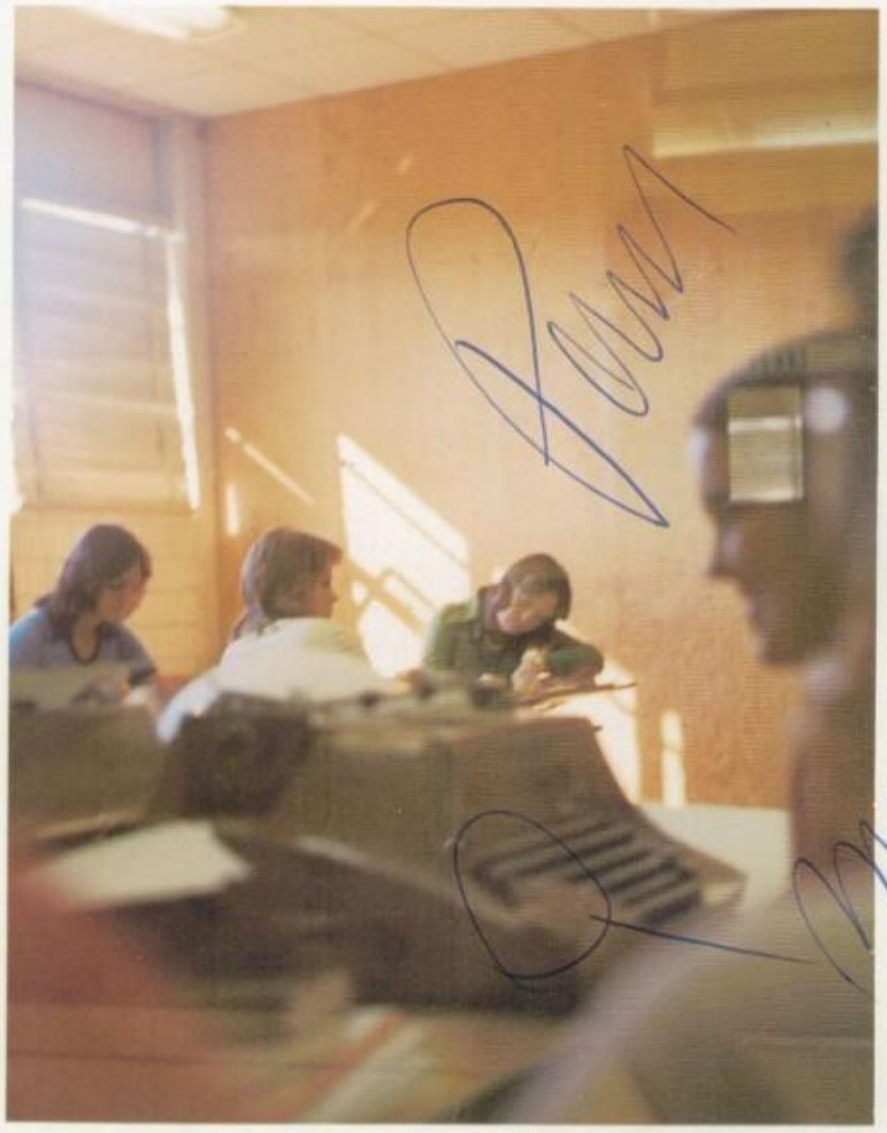
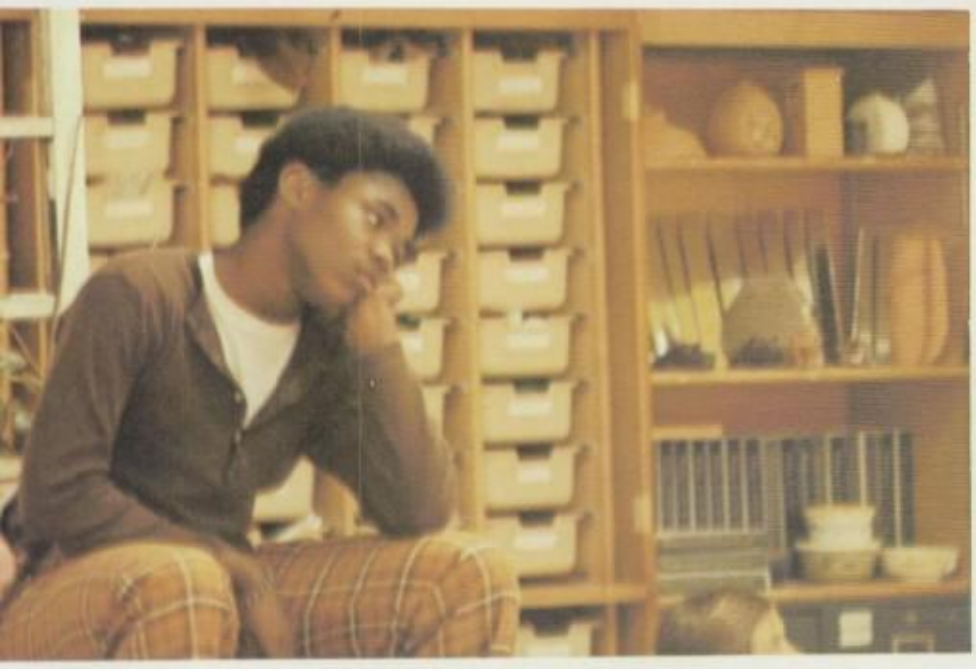
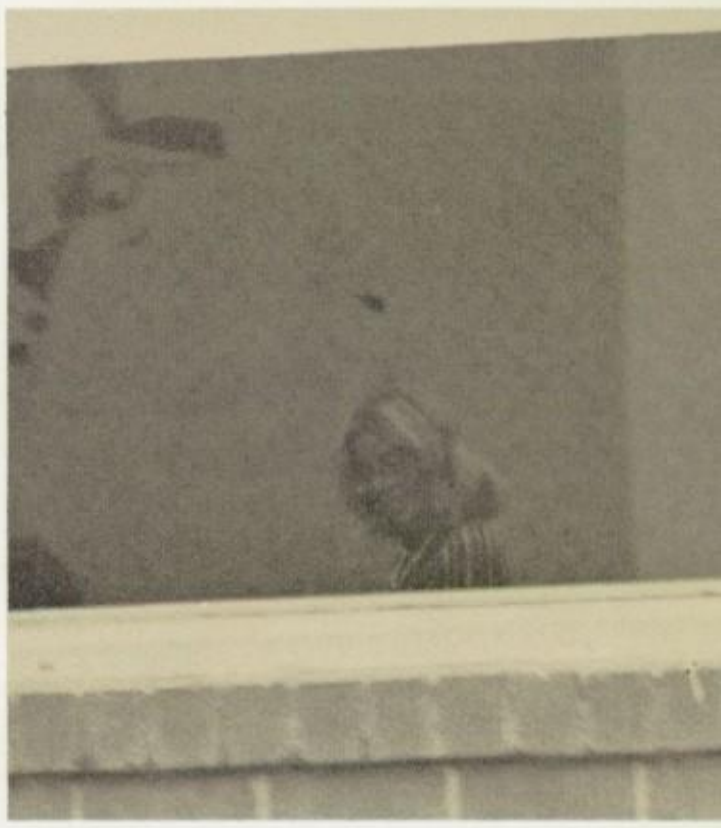
Time is not measured by the passing of the years, but by what one does, what one feels, and what one achieves.
(Nehru)

Life is nothing to be feared, but rather something to be understood.





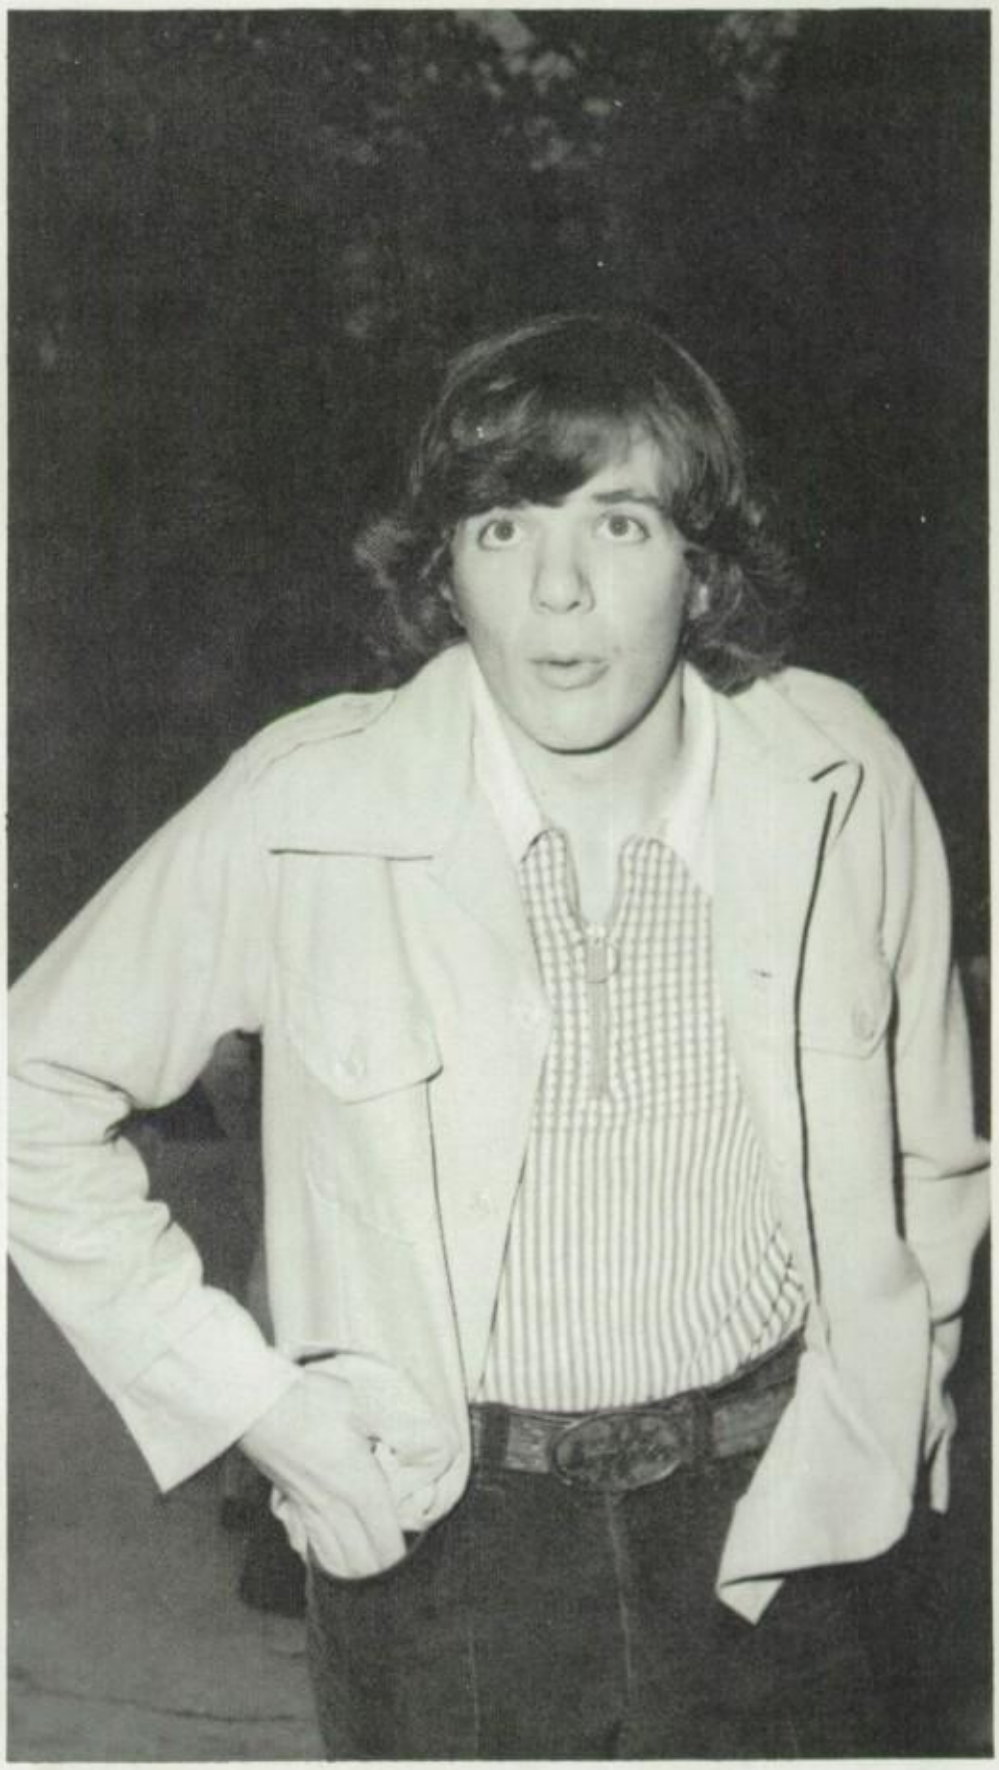


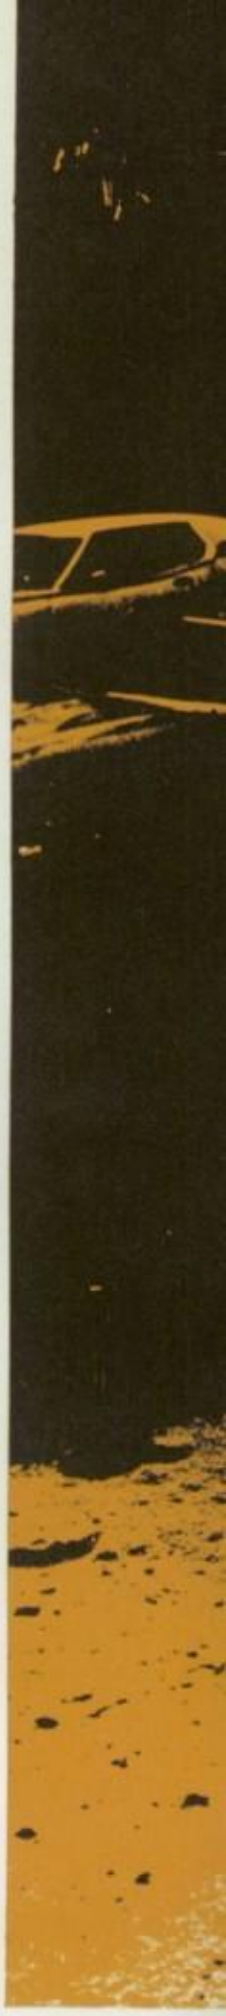
It is up to us as individuals to take advantage of our learning and make of ourselves what we desire.

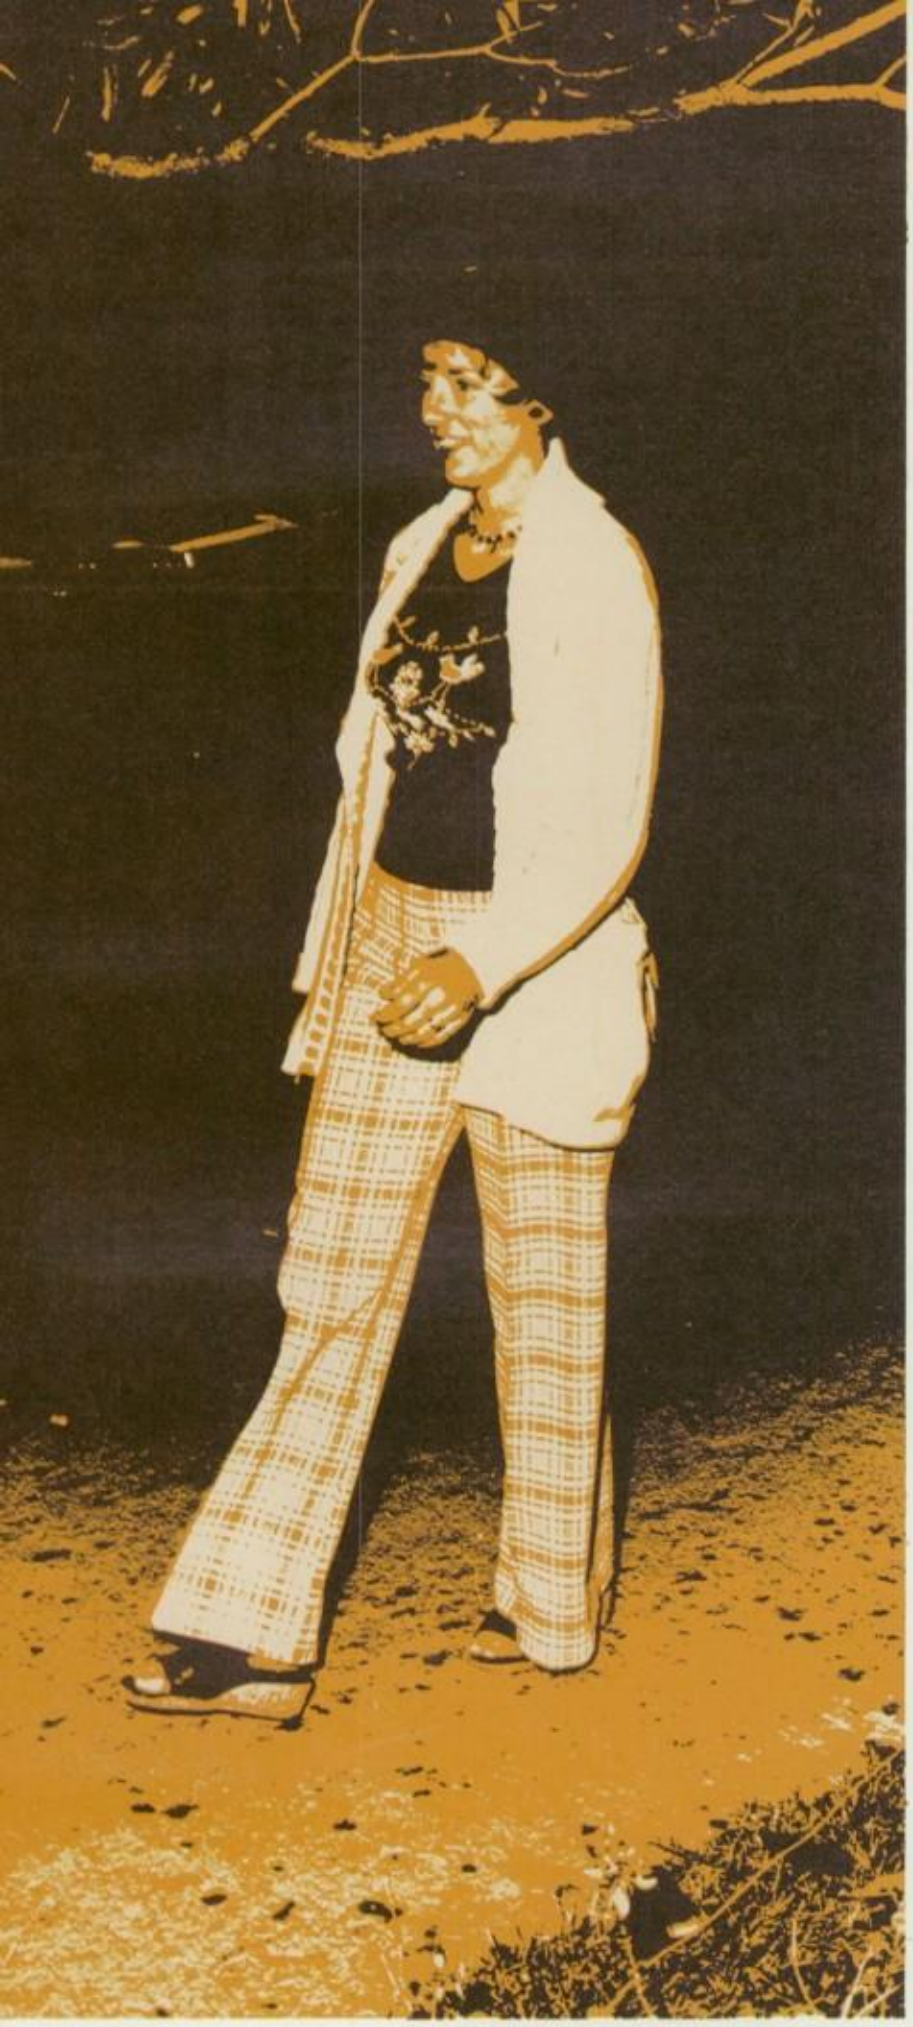
Through the year we each have moments in our lives that are filled with various emotions and feelings. Life isn't always good to us, but by bearing with it, we find every cloud has a silver lining.

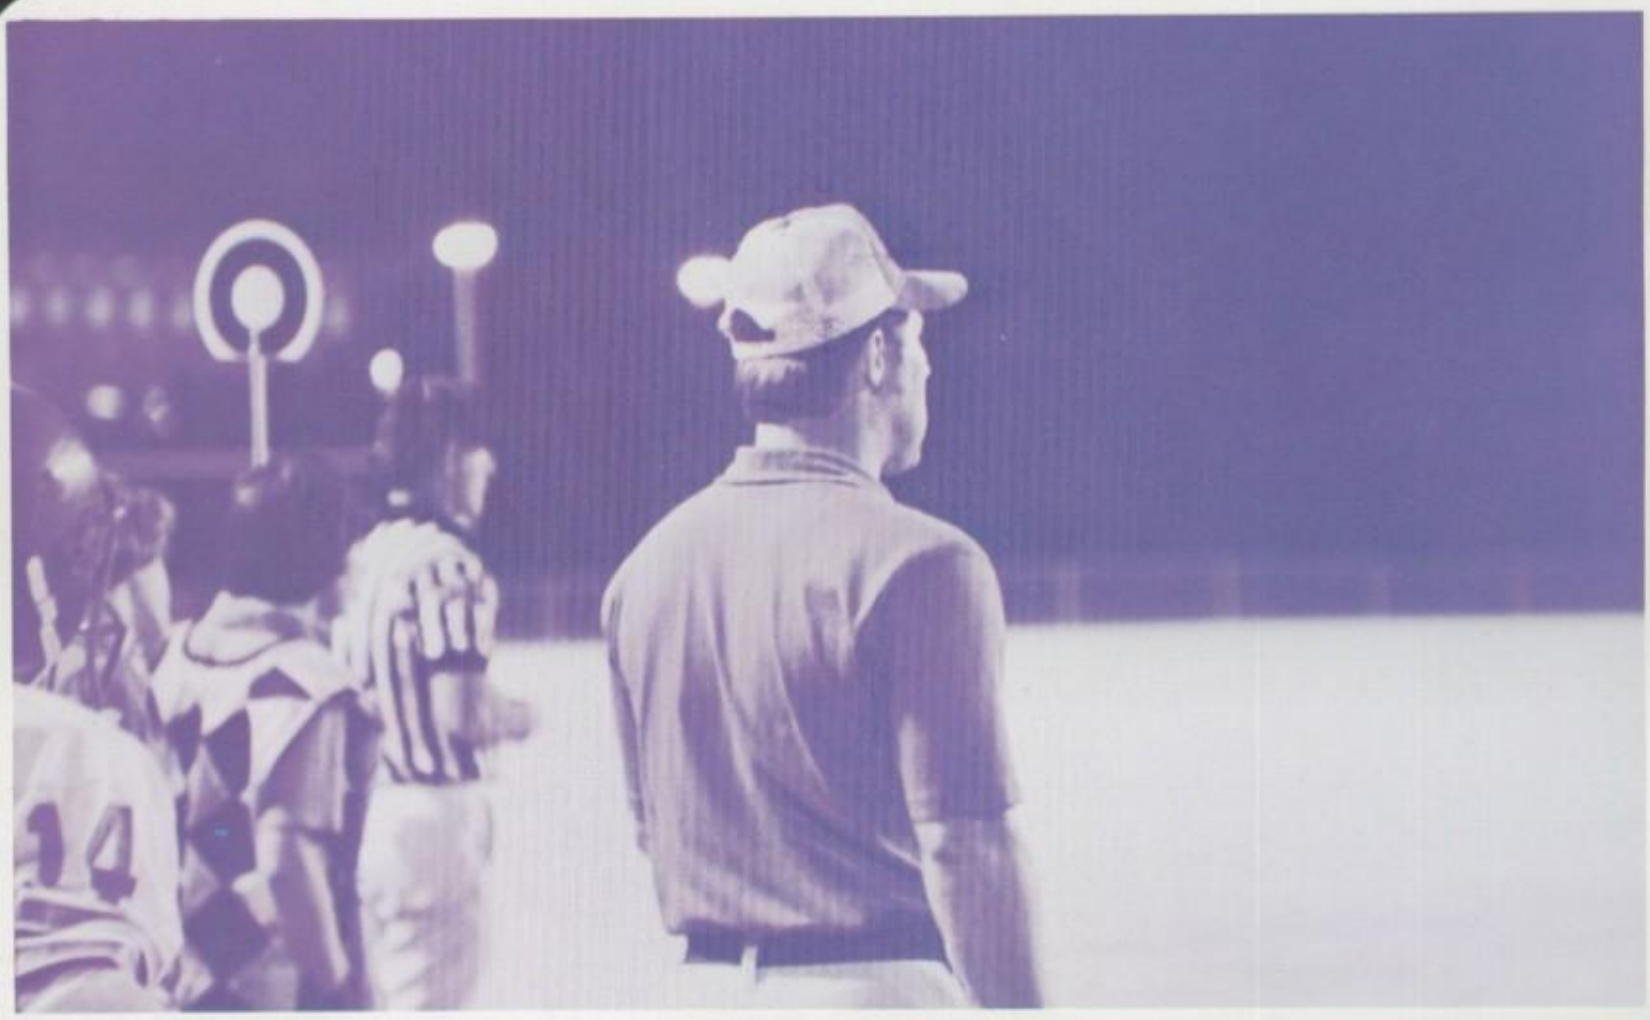
STONE MOUNTAIN
PIRATES
GEORGIA

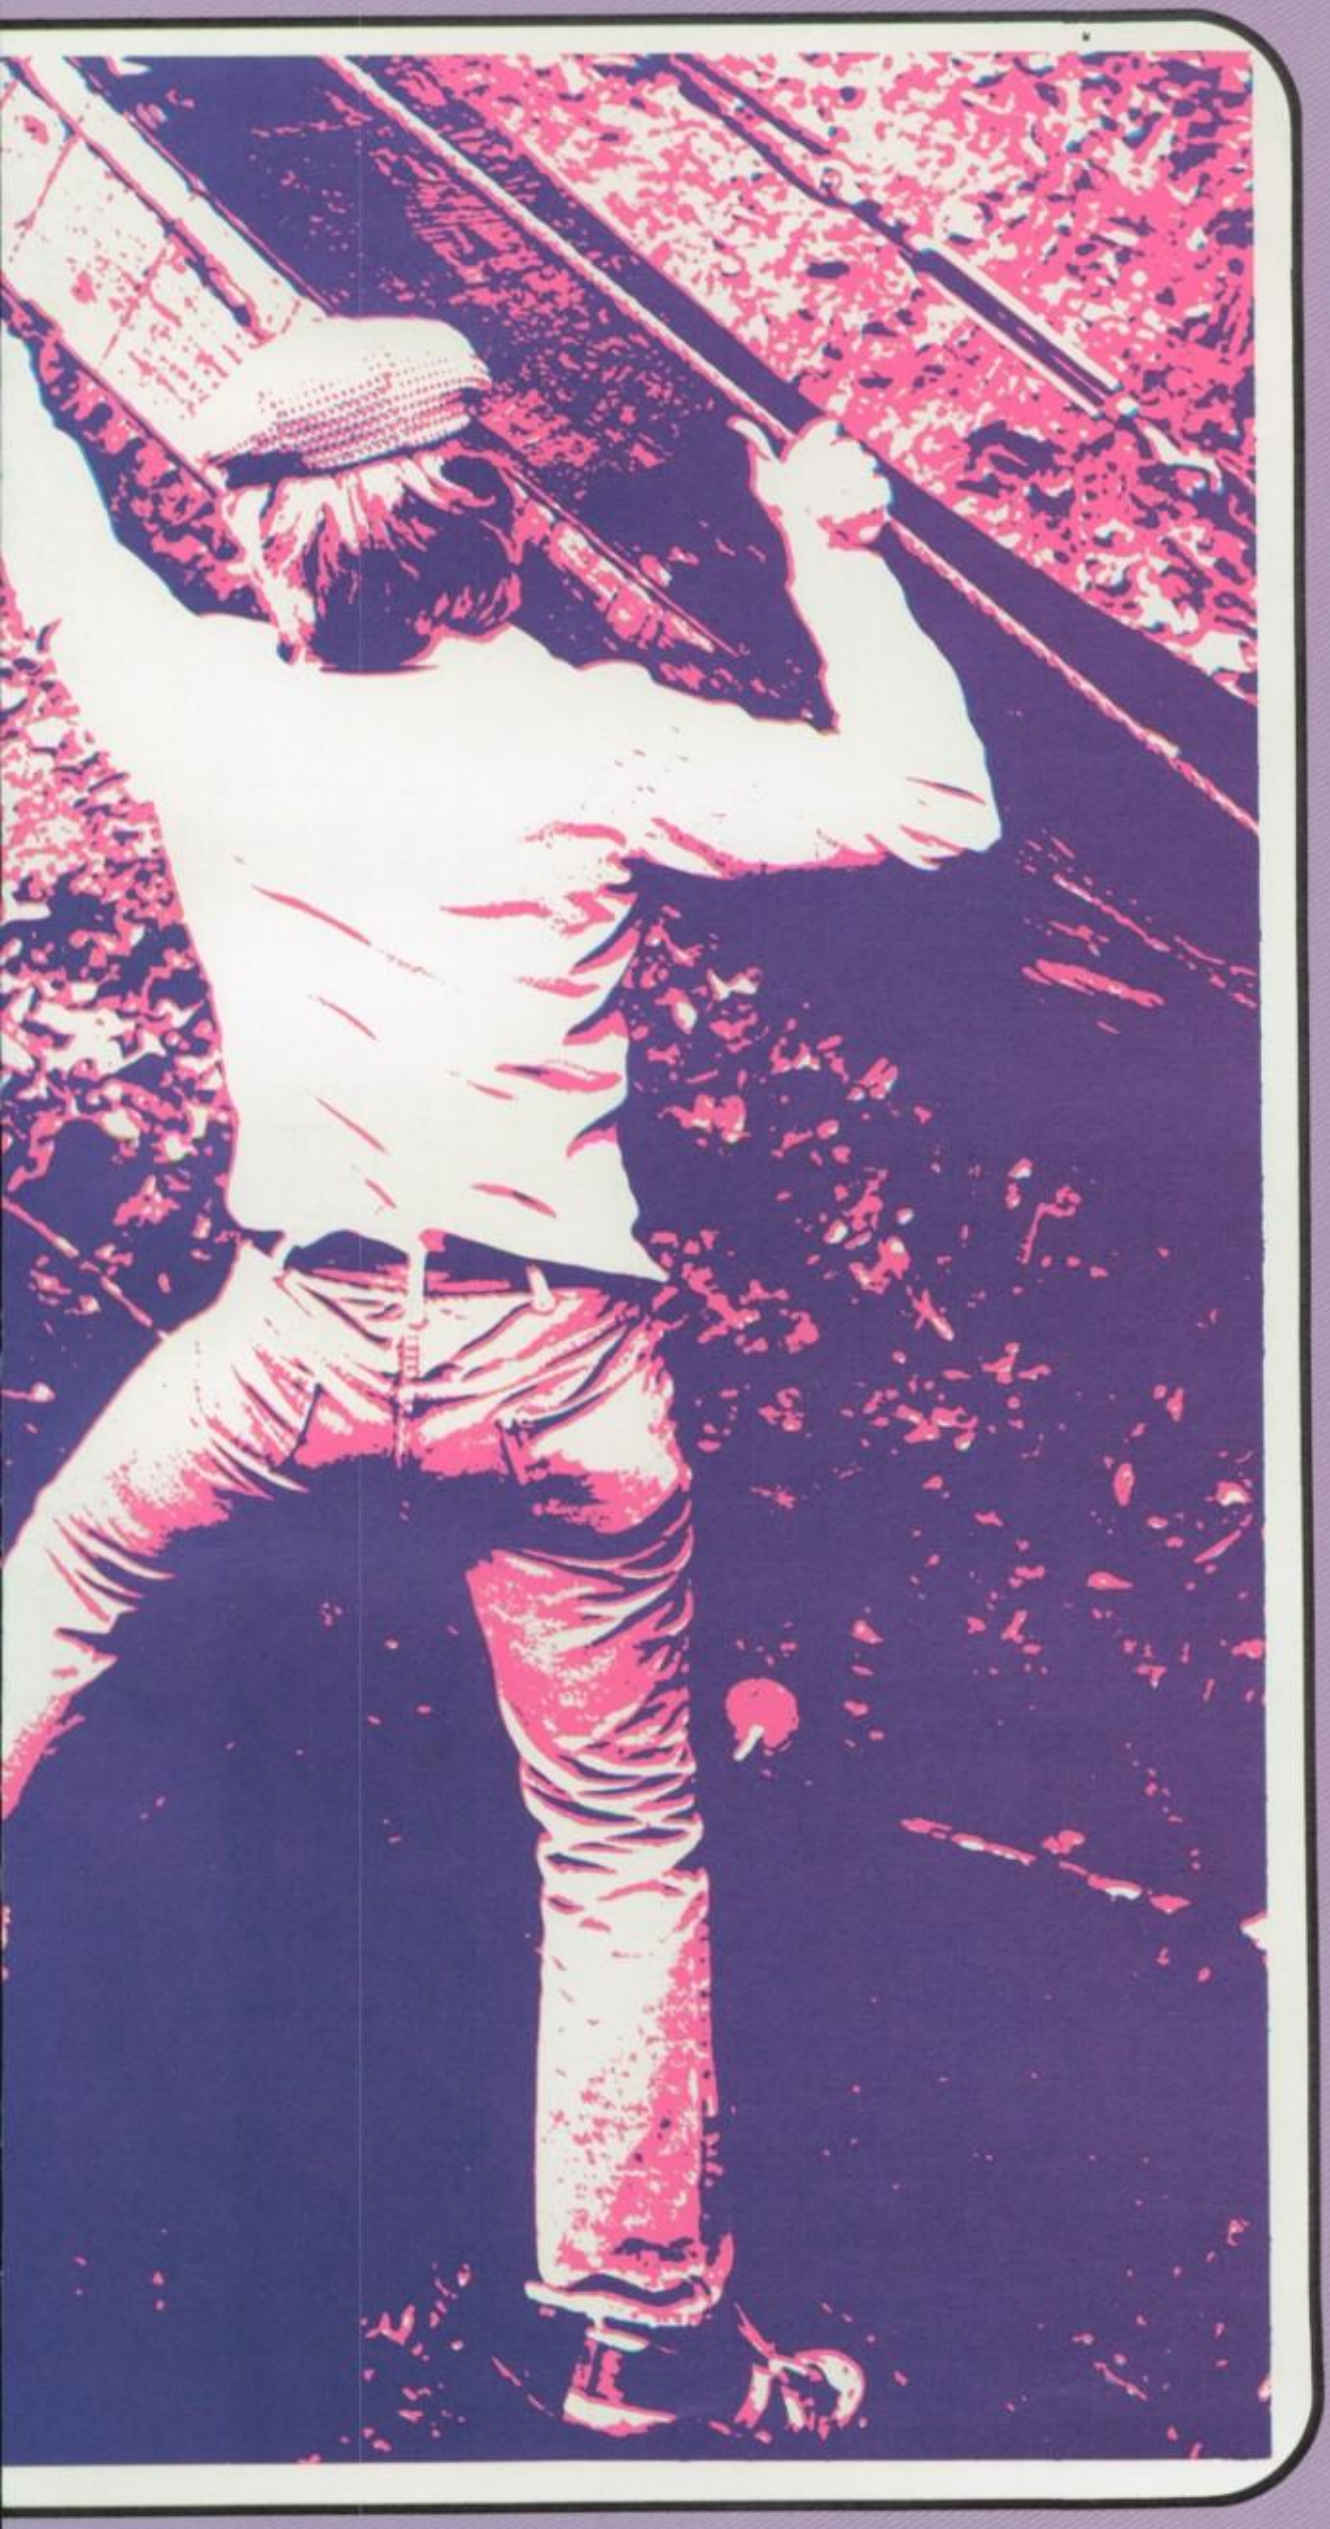
We may be influenced by others, but not so much that we change our life styles altogether. Above all, we must maintain our individualism and make the most of what life has to offer.











I shall not pass this way again. Any good thing that I can do or any kindness that I can show, let me do it now! Let me not defer it or neglect it, for I shall not pass this way again.

Joe,
It's been fun this year. It feels strange to be getting out of high school. I guess I'm just weird. It's been fun knowing you. It's also been fun in Miss Chirico class. Being your wife is just a wonderful thing to be. Have a healthy and a beautiful life. And be good.

Love Always

Joe,

I'm not going to say good-bye for 2 reasons — ① I hate good-byes, and ② I feel sure that I'll see you again. You have been one of my best friends this year, and I hope that we can continue this very precious friendship. I wish you the very best of everything.

With love,
